

## PROCEDURE ON THE NIGHT

- 15 minutes before your race report to the Call Area which is the fence enclosure on the infield indicated on the map above.
- You will be issued with two hip numbers – one to pin on the right side of your chest and one to pin on your right hip. Ensure the numbers can be seen by the judges. Please place a pin in each corner of the number.
- When your numbers are pinned on, enter the Call Area and take a seat.
- At the allocated time, runners will be introduced by the announcer out of the Call Area. Run out to the track and to the one mile start line 10 metres back from the finish line.
- On completion of the race the first three finishers will be held for presentation. Other runners should move off the track. For those running in the two Classic races the first five finishers will be held for presentation.
- As soon as the results are available presentation will take place.
  - Placing plaques, and envelopes or product, will be presented by a Club or QA official.
  - Athletes will stand behind the relevant placing podium.
  - As your name is called mount the podium and receive your plaque and envelope or product.
  - Once all places are presented, photos may be taken and athletes are then free to warm down and return to grandstand.
